Introduction

I would want to come over to your place and watch porn with you and your wife in the livingroom or bedroom. We could all three play with each other and then your wife could show me some tips on giving you a blow job. I want you to fuck me but I want to have you either lay down or sit down so I can lower myself onto your cock at my speed after you have loosened me up with a finger or something. I would also like to be in the center of a FMM if both of you would like that.

If you think you can help me with then, send an e-mail.

My Ideal Person A mid 40-50s couple that would like to invite a nice younger guy over just for play every once in a while.
